

Dear FCC,

Air-1 has served me by offering family-friendly programming i have come to enjoy. Air-1 supports wholesome values and has a positive and encouraging impact in my community. We would loose this positive influence if it was replaced by a LPFM broadcaster providing other programming.

Air-1 provides service in the public intrest because it offers a form of comfort to our discouraged communities. It points us to a reliable source of hope. Please help keep our comunities healthy by keeping Air1 alive, a source of hope to many of youth in our communities.

Thanks,  
jj-
